Three ways we lend.

What's your *next move*?

1.

Growth & expansion

Investing in people, capacity, new markets or the next stage of growth.

2.

Assets & equipment

Funding the machinery, equipment and assets your business needs to move forward.

3.

Transactions

Funding acquisitions and management buyouts.

A quick fit check.

Could we be
*right for
each other?*

You're an established UK SME

With strong trading, ideally supported by audited accounts.

You have a clear plan

You know what the funding is for and what it will achieve.

The business can support the lend

Your numbers demonstrate a clear ability to meet repayments.

You have the right team

A management team that knows the business and can answer the hard questions.

See who we've backed.

Real businesses.

Real moves.

See how we've helped businesses like yours make theirs.
